February 23 & 24, 2019

Dear Parishioners,

The causes of homelessness are complex, so there's no easy fix. Sometimes people can't afford to buy food towards the end of the month. But as church, as community, we do what we can even if they're just small steps. That's why St. Agnes and St. Ignatius Parishes decided to set up a community food pantry to serve the hungry and needy in our city. This program is made possible through our partnership with the SF-Marin Foodbank. With volunteers from both parishes, the community food pantry started on June 28, 2018. Every Thursday from 1:00 to 3:30 pm, volunteers set up the tables and distribute the food in the vestibule of the church. After 34 weeks, we now have 132 participants/households enrolled, we serve an average of 50 households providing food to 60 to 75 people.

Three weeks ago, one of our pantry participants called the SF-Marin Foodbank and left the following voicemail message: *"Hi, this is XXXXX, I was in today. You know what, the bubbly water is incredible and the sandwich that I got from you guys was kicking...with fig sauce. It was great, it had watercress on it! And I just want to say thank you and I hope you guys have a great weekend. Thank you very much and you just make me feel good and you give the food out with love and you put love molecules into the food which is really cool. Thank you! Bye!"*

Isabel, our SF-Marin Foodbank Program Coordinator, added: *"You are the ones who give out the food with love and put those love molecules in the food."*

Last Thursday was Valentine's Day and the food pantry volunteers were at it again. A Volunteer's daughter and her 3rd grade class created paper hearts with messages like *"You can't be happy without hope," "Peace, Love and Food,"* and *"I hope I put a smile in your face."* Each heart had a chocolate attached to it and was given to each participant. Participants also helped themselves to slices of Rosi's (one of our parishioners) freshly baked, heart-shaped focaccia. People took a little longer going from table to table, the line was kind of long and slow. But everybody was patient, smiling and eating. You know what? *Love molecules* are contagious. How are you going to spread them?

The Line Becomes a River:
Dispatches from the Border

By Francisco Cantú
March 29, 2019

Apostles Creed

I believe in God, the Father almighty,
Creator of heaven and earth;
And in Jesus Christ, his only Son, Our Lord,
who was conceived by the Holy Spirit,
born of the Virgin Mary,
suffered under Pontius Pilate,
was crucified, died, and was buried.
He descended into hell;
on the third day he rose again from the dead;
And ascended into heaven,
And is seated at the right hand of God,
the Father almighty;
from there he will come to judge the
living and the dead.
I believe in the Holy Spirit,
the holy catholic Church;
the communion of saints,
the forgiveness of sins,
the resurrection of the body,
and life everlasting. Amen.

Stewardship Prayer

Lord and source of all gifts, I rejoice in the fullness of your generosity. I thank you for those whose lives are visible signs of your love and blessing to others. Give me the courage to do the same. Make me a good steward of all I have received generously sharing my time, abilities and material resources to build up your kingdom of love and justice. We ask this through Jesus Christ, in whom we begin and end all things. Amen.

Prayer of St. Francis

(Prayer for Peace)

Lord, make me an instrument of your peace;
where there is hatred, let me sow love;
where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
and where there is sadness, joy.
O Divine Master, grant that I may not so much seek
to be consoled as to console;
to be understood, as to understand;
to be loved, as to love; for it is in giving that we
receive, it is in pardoning that we are pardoned, and
it is in dying that we are born to Eternal Life. Amen
